This case is on appeal. In the *Final Rejection* of September 24, 2007, it was noted that Claim 8 failed to recite its dependency from Claim 23 and correction was required. That correction has been made by way of the foregoing amendments. Correction has also been made with respect to missing commas in the claims.

This response is being filed with a *Petition* and fee for a one-month *Extension of Time*. If any additional extensions or fees are required, please consider this a *Petition* therefor and charge any fees to Deposit Account No. 50-0935.

Respectfully submitted,
